3) There are an estimated 11 – 20 million illegal immigrants currently living in the United States. What do you think the solution is to this problem? We should legalize illegal immigrants and give them American citizenship, we should enforce our laws to encourage illegal immigrants to return to their home countries or you are not sure.

4) This question is regarding Senate Bill 6, now pending in the Georgia legislature: More than 15 thousand illegal immigrants currently have a Georgia driver's license or official state ID card. That number is set to increase. Do you support current legislation in the Georgia legislature that would stop the practice of giving drivers licenses and state ID cards to *all* illegal immigrants?
