SECTION 1.

13 Chapter 5 of Title 40 of the Official Code of Georgia Annotated, relating to drivers' licenses,
 14 is amended by revising paragraph (15) of and adding a new paragraph to Code Section
 15 40-5-1, relating to definitions, to read as follows:
 16

17 "(15) 'Resident' means a person who has a permanent home or abode in Georgia to
 18 which, whenever such person is absent, he or she has the intention of returning. For the
 19 purposes of this chapter, there is a rebuttable presumption that the following person is
 20 a resident:

21 (A) Any person who accepts employment or engages in any trade, profession, or
 22 occupation in Georgia or enters his or her children to be educated in the private or
 23 public schools of Georgia within ten days after the commencement of such employment
 24 or education; or

25 (B) Any person who, except for infrequent, brief absences, has been present in the state
 26 for 30 or more days;

27 provided, however, that no person shall be considered a resident for purposes of this
 28 chapter unless such person is either a United States citizen or an alien with ~~legal~~
 29 ~~authorization from the United States Immigration and Naturalization Service~~ lawful status
 30 as reflected by an Employment Authorization Document code from the United States
 31 Citizenship and Immigration Services."

32 "(19) 'Unlawful status EAD code' means a code placed on such Employment
 33 Authorization Document that indicates such person is not present in the United States
 34 under a lawful status, including, but not limited to, code A10, A11, A13, A14, C13, C14,
 35 C18, and C33."

36 SECTION 2.

37 Said chapter is further amended by revising subsections (a) and (c) and adding new
 38 subsections to Code Section 40-5-20, relating to license required, surrender of prior licenses,
 39 and local licenses prohibited, to read as follows:

40 "(a) No person, except those expressly exempted in this chapter or in Chapter 6 of this title,
 41 shall drive any motor vehicle upon a highway in this state unless such person has a valid
 42 driver's license or a driving safety card under this chapter for the type or class of vehicle
 43 being driven. Any person who is a resident of this state for 30 days shall obtain a Georgia
 44 driver's license before operating a motor vehicle in this state. Any court having jurisdiction
 45 over traffic offenses in this state shall report to the department the name and other
 46 identifying information of any individual convicted of driving without a license. This Code
 47 section shall not apply to a person driving with a suspended license or license that has been
 48 revoked. Any person convicted of violating this Code section shall be punished as
 49 provided in subsection (a) of Code Section 40-5-121; provided, however, that if:

50 (1) Such person is driving with a driver's license issued by this state that has been
 51 expired for less than 31 days at the time of the offense and he or she produces in court a
 52 driver's license that would have been valid at the time of the offense, he or she shall not
 53 be guilty of such offense; and

54 (2) Such person is driving without a valid driver's license or receipt issued by the
 55 department reflecting issuance, renewal, replacement, or reinstatement in his or her
 56 possession but he or she has a valid driver's license, Code Section 40-5-29 shall apply to
 57 such offense.

58 (a.1)(1) Except as provided for in subsection (a.2) of this Code section, any person
 59 possessing an Employment Authorization Document from the United States Citizenship
 60 and Immigration Services with an unlawful status EAD code shall obtain a Georgia
 61 driving safety card before operating a motor vehicle in this state. Pursuant to the terms
 62 of this subsection, upon payment of the required fee, the department shall issue to every

63 applicant qualifying therefor a driving safety card indicating the type or general class of
 64 vehicle the applicant may drive. Notwithstanding any other provision of this title and
 65 except as otherwise provided for in this subsection, such driving safety card shall:

66 (A) In every way operate in like manner for types or classes of vehicles as a United
 67 States citizen's driver's license, including but not limited to fees, instructional permits,
 68 training, examinations, expirations, restrictions, points, issuances, renewals, and
 69 replacements, as if such driving safety card were a driver's license;

70 (B) Be subject to the same carrying, exhibition, reporting, and motor vehicle insurance
 71 requirements as a citizen's driver's license;

72 (C) Confer the same privileges and responsibilities for driving a motor vehicle upon
 73 a highway in this state as a citizen's driver's license; and

74 (D) Be subject to the same laws and penalties in the law, including but not limited to
 75 suspension or revocation, in the same manner as a citizen's driver's license.

76 (2) A driving safety card shall be valid only during the period of time of the applicant's
 77 having a valid and current Employment Authorization Document from the United States
 78 Citizenship and Immigration Services with a code thereon that is not an unlawful status
 79 EAD code or five years, whichever occurs first; provided, however, that such applicant
 80 shall notify the department within ten days after any change in an EAD code.

81 (3)(A) A driving safety card shall be valid only for the privilege of operating a motor
 82 vehicle upon a highway in this state and shall not be valid for identification purposes,
 83 including but not limited to verifying the identity, residency, lawful status, or
 84 citizenship status of its holder.

85 (B) It shall be a misdemeanor to attempt, with intent to deceive, to use a driving safety
 86 card for identification purposes other than presentment to a law enforcement officer.

87 (4) Prior to the issuance of a driving safety card, the department shall obtain the
 88 fingerprints of the applicant.

89 (5)(A) The department shall distinguish a driving safety card from a driver's license
 90 issued by the department by the use of a unique design and color.

91 (B) A driving safety card shall bear the legend: 'The individual shown hereon has
 92 passed the driving skills, knowledge, and vision tests required by state law.' A driving
 93 safety card shall, in white letters displayed on a black banner positioned at the top or
 94 bottom, or both, of the driving safety card, include the terms 'DRIVING SAFETY
 95 CARD', 'NOT FOR IDENTIFICATION', 'NOT ACCEPTABLE FOR OFFICIAL
 96 PURPOSES', 'NON-CITIZEN' and 'NOT FOR FEDERAL IDENTIFICATION'. Other
 97 than as provided for in this paragraph, a driving safety card shall contain the same
 98 physical characteristics of, and be similar in form to, a driver's license issued by the
 99 department.

100 (6) The department shall not issue any temporary driving privileges as provided for in
 101 subsection (e) of Code Section 40-5-24 to any person who presents an Employment
 102 Authorization Document from the United States Citizenship and Immigration Services
 103 with an unlawful status EAD code.

104 (a.2) No person possessing an Employment Authorization Document from the United
 105 States Citizenship and Immigration Services with an unlawful status EAD code shall be
 106 eligible to obtain a driver's license or a special identification card other than a special
 107 identification card provided for under subsection (d) of Code Section 40-5-21.1; provided,
 108 however, that any person who possesses an Employment Authorization Document from the
 109 United States Citizenship and Immigration Services with an unlawful status EAD code and
 110 who has a valid driver's license or special identification card other than a special
 111 identification card provided for under subsection (d) of Code Section 40-5-21.1 shall, upon
 112 expiration of such driver's license or special identification card, be subject to the provisions
 113 of this chapter relating to a driving safety card or special identification card."

114 "(c)(1)(A) Any person who applies for a driver's license, instruction permit, or limited
 115 driving permit shall indicate on such application whether he or she is in possession of
 116 any other valid driver's license, driving safety card, or permit issued pursuant to this
 117 title or from any other jurisdiction.

118 (B) Except as provided in paragraph (2) of this subsection, no person shall receive a
 119 driver's license or driving safety card unless and until such person surrenders to the
 120 department all valid licenses or permits in such person's possession issued to him or her
 121 pursuant to this title or by any other jurisdiction. The department shall physically mark
 122 any surrendered license, card, or permit in a manner which makes it apparent that such
 123 license, card, or permit is no longer valid and return the license or permit to such
 124 person.

125 (C) The department shall issue a receipt to a person eligible to be issued a driver's
 126 license, driving safety card, instruction permit, or limited driving permit pursuant to the
 127 requirements of this title. Such receipt shall satisfy the requirements of subsection (a)
 128 of Code Section 40-5-29 regarding proof of eligibility to operate a motor vehicle until
 129 the person has received his or her permanent driver's license, driving safety card,
 130 instruction permit, or limited driving permit.

131 (D) If a surrendered driver's license or driving safety card was issued by another
 132 jurisdiction, the department shall forward the surrendered license or card information
 133 to the previous jurisdiction.

134 (E) Except as provided for in paragraph (2) of this subsection, no person shall be
 135 permitted to have more than one valid driver's license or driving safety card at any time.

136 (2) Any noncitizen who is eligible for issuance of a driver's license, instruction permit,
 137 or limited driving permit pursuant to the requirements of this title and is in possession of
 138 a valid driver's license or permit issued by a foreign jurisdiction may be issued a driver's
 139 license, instruction permit, or limited driving permit without surrendering the foreign
 140 driver's license or permit. This exemption shall not apply to a person who is required to
 141 terminate any previously issued driver's license pursuant to federal law. The department
 142 shall make a notation on the driving record of any person who retains a foreign driver's
 143 license, and this information shall be made available to law enforcement officers and
 144 agencies on such person's driving record through the Georgia Crime Information Center."

145 SECTION 3.

146 Said chapter is further amended by revising Code Section 40-5-21.1, relating to temporary
 147 licenses, permits, or special identification cards, foreign licenses or identification cards as

181 however, that application may be made following the expiration of an additional valid
182 Georgia driver's license or identification card.

183 (d)(1) Notwithstanding any other provision of this title, an applicant who possesses an
184 Employment Authorization Document from the United States Citizenship and
185 Immigration Services with an unlawful status EAD code may be issued a special
186 identification card which shall be valid only during the period of time of the applicant's
187 possession of an unlawful status EAD code or two years, whichever occurs first.
188 Notwithstanding any other provision of this title and except as otherwise provided for in
189 this subsection, such special identification card shall in every way conform to the
190 provisions governing personal identification cards provided for by this title, including but
191 not limited to fees, proof of birth date, unlawful use, issuances, renewals, and
192 replacements.
